ABOUT LEGAL AID CHICAGO:

Legal Aid Chicago believes that access to justice should not depend on the ability to afford an attorney. For over 50 years, Legal Aid Chicago has provided people living in poverty in metropolitan Chicago with free civil legal services. Cases include situations such as wrongful eviction, a veteran seeking their benefits earned from service, or securing an order of protection for a domestic violence survivor. Legal Aid Chicago attorneys, paralegals, and staff advocate for and collaborate with clients and communities.
