LEGAL AID CHICAGO seeks justice for people living in poverty. Through litigation and advocacy, our team of full-time lawyers and staff fight to secure individual rights to affordable housing, basic healthcare, fair working conditions, protection from abuse, and economic stability.

OUR MISSION

At Legal Aid Chicago, we work together to provide high quality civil legal aid to people living in poverty and other vulnerable groups. Through advocacy, education, collaboration, and litigation we empower individuals, protect fundamental rights, strengthen communities, create opportunities, and achieve justice. In carrying out our mission, we treat everyone with compassion and respect.

OUR VISION

It is our vision that poverty will not be an impediment to justice in Cook County. Legal barriers that perpetuate poverty and inequality will be dismantled. Laws and legal systems will be open and equally effective for all who need their protection, especially those who experience unfair and disproportionately unjust treatment due to personal or community characteristics.
